Sponsorship Opportunities for ALMA Chicago's 3rd Annual Community Reception

Since our founding, the Association of Latinos/as/xs Motivating Action (ALMA) has played a major role in advocating for the equitable treatment and rights of the Latinx LGBTQ+ Community.

Founded during the AIDS epidemic, in 1989, ALMA has embodied the resiliency of the Latinx LGBTQ+ community through three and a half decades and multiple important moments in history. Having persevered and providing services through the AIDS epidemic, the COVID pandemic, and MPox outbreaks, and having served as a leader in advocating for marriage equality in Illinois, ALMA remains one of the leading and longest-serving Latinx LGBTQ+ organizations in the United States.

In celebration of the organization's accomplishments over the past year and continued efforts to engage the communities served and community partners, ALMA will host the 3rd Annual Community Reception on Thursday, December 5th at 7:00 PM at Barcocina in Lakeview in Chicago, IL. This reception will also be the organization's 35th year in existence!

ALMA has been able to lead the fight in advocating for the Latinx LGBTQ+ community in Chicago and in Illinois for decades because of support from the community and partners. To this end, ALMA is requesting sponsorship support for the Annual Community Reception, which will engage community members and partners and highlight the work ALMA has done over the years and the projects to come. We believe that having you and/or your company as one of our corporate sponsors our efforts to advocate for a just and equitable society for all, highlighting the brilliance of the Latinx and LGBTQ+ communities, and developing the leaders of tomorrow would go even further.

Your support will include recognition at the reception as a sponsor, highlight in the ALMA newsletter and social media platforms, and much more!

ALMA's mission, advocacy agenda, and programming is made possible because of support from individuals and institutions like yours, and hope that we can count on your financial support.
